COURSE
REPORT

Introduction to **SAFe® Scrum Master**

The **SAFe® Scrum Master** is a designation offered by **Scaled Agile, Inc.** to professionals who complete a two-day SSM training by a SAFe® Program Consultant (SPC) and demonstrate their understanding by passing the SAFe® 6.0 Scrum Master certification exam.

In this 16-hour live and interactive training by leading SPCs, you will learn the tactical skills needed to be an effective Scrum Master in a SAFe® organization. Equip yourself with the guidance and tools necessary for working in remote environments with distributed teams.

Hear Straight from Our Learners!

Prashant Sharma

I recently did the SAFe Scrum Master training through KnowledgeHut. The training experience was really good and smooth. Although it was an online training, it was very interactive.

Prashant Sharma left us this review on Google

Pankaj Paul

I had taken SAFe Scrum Master training from KnowledgeHut. I must say, KnowledgeHut is very professional in their domain. The faculty provided by them was very knowledgeable and supportive. I would recommend KnowledgeHut for any professional courses/certifications.

Pankaj Paul left us this review on Google

Deblina Chatterjee

I have taken CSM and SSM course here and achieved the certification in one go. Extremely talented trainer with industry experience who can provide all the solutions of your questions.

Deblina Chatterjee left us this review on Trustpilot

Poornima K

I had enrolled for SAFe Scrum Master certification training. I had a great experience in my 2-day training session. It was structured, great coach. Thank you.

Radhika Menon

I had a great experience taking a 2-day online class to become a SAFe certified Scrum Master. The instructor was incredible and very engaging. Loved the classmates and breakout sessions that we had. The registration was smooth and easy. There were no unnecessary sales calls.

Radhika Menon left us this review on Google

Sachin Chacko

Recently I have completed SAFe Scrum Master SSM training and certification through Knowledge Hut. The trainer was interactive and well versed with Scaled Agile Framework. Also, covered all areas of study and made all our queries resolved.

Sachin Chacko left us this review on Google

Temidere Okeowo

It was a great experience with KnowledgeHut and the coach Manu was fantastic. I enjoyed the process, the class and my classmates. I will be taking the SSM exam once it has been updated on the Scaled Agile website. Thank you, Knowledge Hut.

Temidere Okeowo left us this review on Google

Olusola Williams

I took the SAFe Scrum Master course with KnowledgeHut and the experience was amazing. Had a great instructor, class was fun and exciting. I passed my exams at the first attempt. Overall KnowledgeHut experience was great.
