THANK YOU

ALY MADHAVJI

Managing Partner at
Blockchain Founders Fund

Contact Us:
aly@blockchainff.com

Aly Madhavji is the Co-Founder and Former CEO of Global DCX, an innovative technology company launching secure digital currency exchanges across the globe starting in India. He is also an avid investor in early stage companies, digital currencies, and Initial Coin Offerings (ICOs). He has served on various token advisory boards including Polymath and Jet8, Hurify and traditional advisory roles including the University of Toronto's Governing Council. He is an internationally acclaimed author, publishing three books, including the award-winning book titled, "Your Guide to Succeed in University", as part of the Succeed Series. He has lived and worked across 4 continents (North/South America, Europe, and Asia) with PwC, PayPal, Microsoft, Bloomberg, and INSEAD. He also holds the Chartered Professional Accountant, Chartered Accountant, Certified Management Accountant, and Chartered Investment Manager designations.

Aly is a Schwarzman Scholar, holds a Master's in Business Administration from INSEAD (Singapore and France), and a Bachelor of Commerce with Distinction from the University of Toronto.
