

RESIGNATION WITHDRAWAL LETTER FORMAT

Dear Sir,

I would like to rescind my resignation effective Jan 25, 2021. I appreciate your counter-offer and would be delighted to continue working at Infosys as Senior Software Engineer.

I would like to thank you for taking the time to speak with me last week after my resignation. Our conversation made it clear to me that I want to advance my career at infosys.

Thank you for your support and consideration.

Regards,
